No. 145 of 3-6-22

Recommends for reasons stated the grant of p.l. at his credit to Mr. T. Subbaramiah, Asst. Compt. under orders of retirement from 1-6-22, and for his being permitted to count his acting appointment as Asst. Compt. from 6-7-1915 to 5.1.18 towards increments.

MKR 11.6.22

12 The two requests contained in Mr. Subbaramayya's representation have to be separately dealt with —

The question of granting him the furlough leave he is entitled to may first be considered. Under the rules in the M.S.R as they now stand, leave after 55 years of age may not (the discretion of Govt. be) given to an officer only when leave has been deferred in public interests. The Compt. certifies to the fact that grant of leave to Mr. Subbaramiah even was thus deferred and that his services had to be extended from period of 3 months in the interests of work for the date from which ~~he had~~ Mr. Subbaramiah had to retire —

according to orders originally issued: If in consideration of these facts and of the good work done by him in connection with the Food Supply Accounts audit, Govt are pleased to grant him the Concession, Mr. Subbaramiah may be given 4 months' leave to which he is reported it is reported is at his credit after obtaining the medical certificate of leave at his credit from the Compt. If the leave applied for is sanctioned, Mr. Subbaramiah will have to be regarded as retiring from 1.8.22 instead of from 1.4.22 and the arrangements made to fill up his place will have to be treated as acting till then.

Action will be taken to deal with the other recommendations in his favour in connection with the Chief Secrett memo 18/4/22

The Compter & the Chief Secy both state that this officer deserves special Consideration. The privilege leave to his credit (4 months) may be given to him.

He asks for one increment from a previous date and this request is made apparently for increasing his pension. Grant of the increment now means the payment of back pay (Rs 2028-8-3). It is calculated that if the increment is given his pension would be Rs 158/15/= in stead of Rs 136/14. He was drawing a pay of Rs 300 when he retired and if his pension is fixed

at Rs 150/- i.e. the max.m he would have got if he had rendered full 3 years Service on Rs 300, he will have been given an additional pension of Rs 13/2 in recognition of his special work.

Subd. with a D.S.N. to the Secy

Submitted to His Highness.

In his letter of 3rd April 1922 the Comptroller recommends to Mr.T.Subbaramiah, Assistant Comptroller under orders of retirement from 1st April 1922, the grant of the undermentioned two concessions, on the ground that Mr.Subbaramiah did good work in connection with the audit of the accounts connected with the food supply operations and that Government had called upon Heads of Departments to bring to the special notice of Government the work done by officers under them in connection with the food control operations:-

(i). Privilege leave for four months which is at his credit,

(ii). Counting his acting appointment as Assistant Comptroller from 6th July 1915 to 5th July 1918 for increments in the appointment of Assistant Comptrollers outside the Civil Service cadre on incremental salary of Rs.250-50/3-450 sanctioned from 26th February 1918 from which date the reorganisation of the Comptroller's office, sanctioned on the recommendation of Mr.K.L.Datta, took effect.

The grant of the second request has the effect of giving retrospective effect to the order of 26th February 1918 and involves payment to him of arrears of increment amounting to Rs.2,028-8-3 and an enhanced pension of Rs.158-15-0 instead of Rs.136-14-0 to which he is otherwise eligible.

Pages of office Note

As a reward for good work brought to notice by Comptroller, I think that Mr.Subbaramiah may be granted Privilege Leave for four months as recommended and a pension fixed arbitrarily at Rs.150 per mensem, being half the salary he was getting at the time of retirement.

The Members of Council are agreeable to this and I solicit His Highness' gracious sanction.

	Issued:
10	To the Comptroller no 2 5770 & 28.6.22 Sanctions the grant of 4 months' Pay and an arbitrary pension of Rs 150/- to Mrs. T. Subramiah of Comptroller's Office

Account Officer for this work, but owing to financial stringency, the question was not pressed, and Mr.Subbaramiah had to manage the work singly. In their Order No.G.9378-432 dated 25th November 1918, the Heads of Offices and Departments have been specially requested to note the good work done by Officers under them working in connection with Food Control operations, and to bring to their notice such work at the conclusion of the operations. I consider it therefore my duty to bring to the special notice of Government, now that the accounts pertaining to the Food Supply operations are finally closed, the very good work done by Mr.Subbaramiah, who, I may state without exaggeration, has spared no pains and devoted his entire energies in performing satisfactorily the difficult task entrusted to him. In recognition of the services rendered by him in connection with these accounts, I commend for the favourable consideration of Government both his requests. In the exigencies of service, I could not grant him any leave for the period of 3½ years, during which he was employed on Food Supply accounts, except for a short period of 10 days, which I could not deny as he had to leave station to attend the obsequies of one of his deceased relations. I therefore request that his prayer for being granted the privilege leave at his credit, may be kindly sanctioned, with effect from 1st April 1922, his retirement taking effect from the date of expiry of the leave. If this is sanctioned, the confirmation of Mr.Narasimha Murti, recommended in my letter No.957 dated 13th December 1921, will be post-poned to 1st August next.

In re. Mr.Subbaramiah's second request, I had already recommended it in my letter No.1765/R dated 29th April 1920, but Government partially sanctioned it, by permitting him to count for increment, the service rendered from 26th February 1918, instead of from 6th July 1915, the first increment being allowed from 26th February 1921, instead of from 1st July 1919, the date of his confirmation as Assistant Comptroller, though under art.85(a) Mysore Service Regulations, he had completed three years' service on Rs.250/- on the date of confirmation. I trust that Government will, in consideration of the work done by him in connection with Food Supply Accounts, graciously grant this last request of an Officer, who after a faithful service of over 31 years, retires without any blemish.

I have the honour to be, Sir,
Your most obedient servant.

Memo

The undersigned is under orders of retirement, under the superannuation rules, from the 1st April 1922 vide G.O.No.3794/C.O.127-20-40 dated 31st December 1921.

2. Though the Comptroller had recommended his extension till the end of June 1922, the Government were pleased to sanction it only till the end of December 1921, in view of the fact that there were four Assistant Commissioners under training in the Comptroller's Office and that they had to be absorbed. But as the final adjustment of the Food Supply Advance Account had not yet been completed his term was further extended till the end of March 1922. The adjustment of these accounts has now been completed, a net balance of Rs 665-2-1 only remaining unadjusted at the end of June 1921, and the final report for the whole Province is in the course of completion and will be submitted to Government in the course of a day or two.

3. That but for the consideration of retrenchment and absorption of the Assistant Commissioners, the Government would have sanctioned further extension as recommended by the Comptroller.

4. That he was placed on special duty in connection with the audit of Food Supply accounts from December 1918 and as this duty was being extended from time to time by short periods he could not take even the privilege leave to which he was entitled. Though the Food Controller urged for an additional officer and the Government also were in favour of it, as the Comptroller could not spare another officer, the whole work, the transactions relating to which extended to nearly 175 lakhs, was entrusted to one officer only and this made the work of the undersigned very heavy. He therefore prays that the balance of Privilege leave to his credit viz., four months, may be kindly sanctioned.

4. That though the special duty ceased on 30th April 1921 as a separate appointment, he has been attending to the adjustment

15

of these accounts, in addition to his other duties as Local Audit Officer, without any extra allowance,

5. That the Government have in their order No.G.9378-432/PP 134. 18-26 dated 25th November 1918 (vide para 16) directed that the Government would be glad to take due notice of the good work done by any officer in connection with these operations. It is needless to add that the audit work entrusted to his charge was a very responsible one and of a very arduous nature deserving of special consideration.

6. That he was first appointed to act as Assistant Comptroller on 6th July 1915 and subsequently confirmed from 1st July 1919. Though a recommendation was made to Government by the Comptroller in his letter No.G.A.D.6765/R dated 29th April 1920 to count the acting period for increments under Article 85(a) M.S.R. the Government were pleased to sanction it only from the date on which the appointment of non-Civil Service Assistant Comptrollers was sanctioned viz., 26th February 1918. But this concession of counting for increments periods during which an officer drew the same pay as the minimum of an appointment newly created or sanctioned has been allowed in the case of Mr. Krishnamachar, Deputy Secretary State Life Insurance Scheme, vide G.O.No.G.3925-7/G.F.268-19 dated 18th December 1920. The undersigned therefore prays that, in consideration of his responsible and difficult work in connection with the Audit of Food Supply Accounts the Government be again moved ~~for~~ to sanction the recommendation made by the Comptroller in his letter of the 29th April 1920 above referred to.

1st March 22.
